1 I continued to be in charge of the Mysore Sugar Company as Chairman till 10th January 1949 when I handed over charge to Sri Bandi Gowda according to direction given by Government. I have drawn my pay as Chairman of the Company for 9 days from the 1st January 1949. I joined duty as Secretary to Government, Development Department on the 1st January 1949. I drew my pay for 9 days in the company according to company rules as this was not a Government concern.

2 Orders of Government may kindly be obtained to draw my salary as Secretary to Government, Development Department for January 1949 in full as I joined duty here on the forenoon of the 1st January 1949.

Chief Secretary
With compliments

Submitted for perusal and orders.

4 The Financial Secy may perhaps be consulted whether the request of Sri Kempanna to draw salary from two sources for the period referred to by him, is admissible.

6 I am not aware as to how Company Rules could permit of salary being drawn when once the officer is relieved of the duties. Even in the case of Sri E. V. Ganapathi Iyer, he was not permitted to draw salary from both sources when he was Director of Sandal Oil Factories and Director of Indian Institute of Science. In the case of Dr. Manjunath I believe the Government of India have refused to pay the leave salary because the officer reported to duty during the period of leave in Mysore Govt. It is a fundamental

rule

rule, that an officer cannot draw salary from two sources for the same period and this rule needs no clarification or justification either. The officer can draw salary here only from 10-1-49 or he may refund the salary to Sugar Company for 9 days and draw full salary from 1-1-49 from Government.

8 I was not relieved of my duties as Chairman, Sugar Company till 10-1-1949. Even on the 10th I presided over the last Board meeting. I continued in combined charge (both as Development Secretary and Chairman, Sugar Company) from 1-1-1949 to 10-1-1949.

9 According to statutory rules, I could not hand over charge as Chairman till a successor was appointed. This was done only on 10-1-1949 as per orders of Government. The combined charge held by me did involve heavy strain and responsibility.

10 It may be stated that charge allowance is allowed even to an officer who is placed in charge of the duties of an additional office the pay of which is not more than that of his own office as per G.O. No. Fl. 3865-3934/S. & A. dated 25-10-1948. The Mysore Sugar Company is purely a Joint Stock Company and the principle of charge allowance will not arise. Such being the case it is rather unfair if I am not allowed to draw my salary for 10 days in Government as Development Secretary. There will be no extra cost to Government. The remuneration of Rs. 290-5-0 drawn by me as Chairman of the Sugar Company, may, if need be, treated as an ex-gratia payment or bonus for the service rendered for the period of 10 days to the Company, as a special case. In any case it would be far from justice if I am deprived of my salary as Development Secretary to which I am entitled to as stated above. Such cases occur rather very rarely on account of emergent administrative exigencies.

11 The request may kindly be submitted to Govern-
ment for favour of sanction.

Chief Secretary
with compliments.

12 This is a matter of principle,
and the Financial Department
is against the request. On the analogy
of an officer drawing a charge
allowance in regard to its additional
charge he holds. Sri Kempanna may
be allowed to draw, in addition
to his salary as Secy. 1/10 of
the Chairman's salary, for the period
he held charge of that post also, if
the F.D. is prepared to consider it.
